

Lake Almanor Pines Property Owner's Association Special Meeting

Vice President Larry Larson called a special meeting to discuss donation of some of the money held in the Lake Almanor Pines Property Owner's Association (LAPPOA), to a family in the community with a dire need. Larry Larson requested the following people be invited, John Larsen, Treasurer, Martin Back, President and Caryn Schulman, Secretary as well as himself. The meeting was held at 3 p.m. at the home of Larry and Joan Larson.

Attendees:

Larry Larson, Vice President

Joan Larson, Member

Martin Back, President

Caryn Schulman, Secretary

Agenda

Donating some of the money in the Lake Almanor Pines Property Owner's Association (LAPPOA) to a needy family in the community.

Discussion

Treasurer John Larsen was invited to the meeting, but did not attend as he had already expressed his disagreement with the idea when told the agenda of the meeting.

Larry discussed the details of the family in need and the fact that the family is a member of the community. The family has 2 children and the mother has ALS and has lost the use of her legs and 1 arm. The father works, but the medical costs and costs for help way exceed the family income. The Lake Almanor Community Church is helping out the family by donating food and helping with care taking. Larry's thoughts are that we can donate up to \$250.00 out of the bank account of the Lake Almanor Property Owner's Association, to benefit a needy family. The bylaws of the LAPPOA
